Did you know???

What's in a name? Do you know the difference in the meaning of these parking signs?

	NO STOPPING	NO STANDING	NO PARKING
• Can I stop to drop off or pick up passengers?	No	Yes	Yes
• Can I stop to load or unload a package, or merchandise at curbside?	No	No	Yes
• Is waiting allowed?	No	No	No

All of NYC was designated a Tow Away Zone under the State's Vehicle & Traffic Law in 1959. This means that any vehicle parked or operated illegally, or with missing or expired registration or inspection stickers, may be towed.

On major legal holidays stopping, standing and parking are permitted *except* in areas where stopping, standing and parking rules are in effect seven days a week (for example, "No Standing Anytime"). Accordingly, parking meters will not be in effect on major legal holidays.

Double parking of passenger vehicles is illegal at all times, including street cleaning days, regardless of location, purpose or duration.

It is illegal to park within 15 feet of either side of a fire hydrant. The painted curbs at hydrant locations do not indicate where you can park.

An occupied illegally-parked vehicle causes the same safety hazard and congestion as an unoccupied vehicle. Exercise responsibility, park legally.
